### **The Eleven Fundamental Spiritual Principles That Cause Creator Mastership**

What is prayer and what is meditation?

- (1) True Spiritual Prayer is internal creation that causes physical manifestation.
- (2) True Spiritual Meditation is internal communications that causes physical altercations.

Three important things to understand about prayer:

- (1) Prayer is a misunderstood spiritual activity of creation - Romans 8:26
- (2) Prayer returns into your bosom - Psalms 35:13
- (3) Prayer is not religious begging that never yields true spiritual results - Psalms 37:25

The Eleven Spiritual Principles As Taught By Jesus in Mt.6:9-13:

- (1) Our Father - We now understand how spirit functions-Father.
  - A) Mt.10:20 - your spirit father speaks in you.
  - B) Mal.3:5-6 - Elijah's assignment was to turn our hearts to the father through what he taught and to turn the father towards the children through what he prayed!
- (2) Which art in heaven - We now understand where spirit functions-Mind.
- (3) Hallowed be your Name - We must understand who spirit is - It Is our divine nature and unlimited power.

- (4) Thy kingdom comes - We must accept personal responsibility for everything and everyone who enters or comes into our life experience.
- (5) Thy will be done in earth as it is in heaven - The human will established in the mind cannot be overturned by anyone or anything in the earth realm. Only your will prevails in your life.
- (6) Give us THIS DAY our daily bread. Practice Kingdom Giving, Live in the Present Moment, and Eating Spiritual Bread every single day Is the only way you can sustain or increase Natural Bread.
- (7) Forgive us our debts, as we forgive our debtors. Forgiveness of emotional debts supernaturally causes the disappearance of financial debts.
- (8) Lead us not into temptation. Temptation is a trained physical appetite that spirit leads you into so that you can eventually overcome it.
- (9) Deliver us from evil. Evil is an unwanted life experience created by a false belief. You must remove the belief that's creating the experience.
- (10) Thine is the kingdom, the power, and the glory! The kingdom is within you. You possess the infinite power. Therefore, you control the glory or the manifestations of your life experiences.
- (11) Amen. Amen means whatever I target with my faith is already happening in my life even if it's invisible in the present moment.

Prayer is what you know when you say something.....Luke 11:1-4, Romans 8:26, Psalms 35:13

You Must Know These Eleven Things Before You Say Anything That Represents What You Require, Desire, or Want:

1. You must know that your spirit is your father.
2. You must know that your spirit operates as your mind or in your mind. Your mind is triggered by thoughts, words, emotions, imagination, decisions, and actions.
3. You must know that you are a spirit by divine nature and unlimited power.

4. You must know that your usage of the inner kingdom in you determines everything that comes into your life.
5. You must know that your will in your mind will be executed in your life and that nothing and nobody can overturn your will.
6. You must know that your natural bread cannot be either sustained nor increased without kingdom giving, living in the present moment, and daily consumption of spiritual bread.
7. You must know that when you forgive emotional debts, financial debts will automatically be forgiven.
8. You must know that your spirit will lead you only into those places where you have established temptation. Temptation is a trained physical appetite.
9. You must know that you cannot be delivered from evil until you are delivered from the belief that is creating the evil.
10. You must know that because you possess the nature and power of your inner spirit (which is the kingdom of God within you) only you possess the authority to determine the glory that happens in your life. Glory is manifestation of anything or anyone who shows up in your life. You must also know that this eternal truth will never ever change.
11. You must know that your Amen is a declaration of your faith that reveals that you believe that whatever you have targeted with your faith is already happening in your life even though at the present moment it remains invisible.
